

# NE neo

The model that leads the camper revolution

Our most complete,  
thought-out, and  
optimized model.

We have learned from the feedback and experience of our customers to design and create a new, more advanced and versatile model.

NEneo

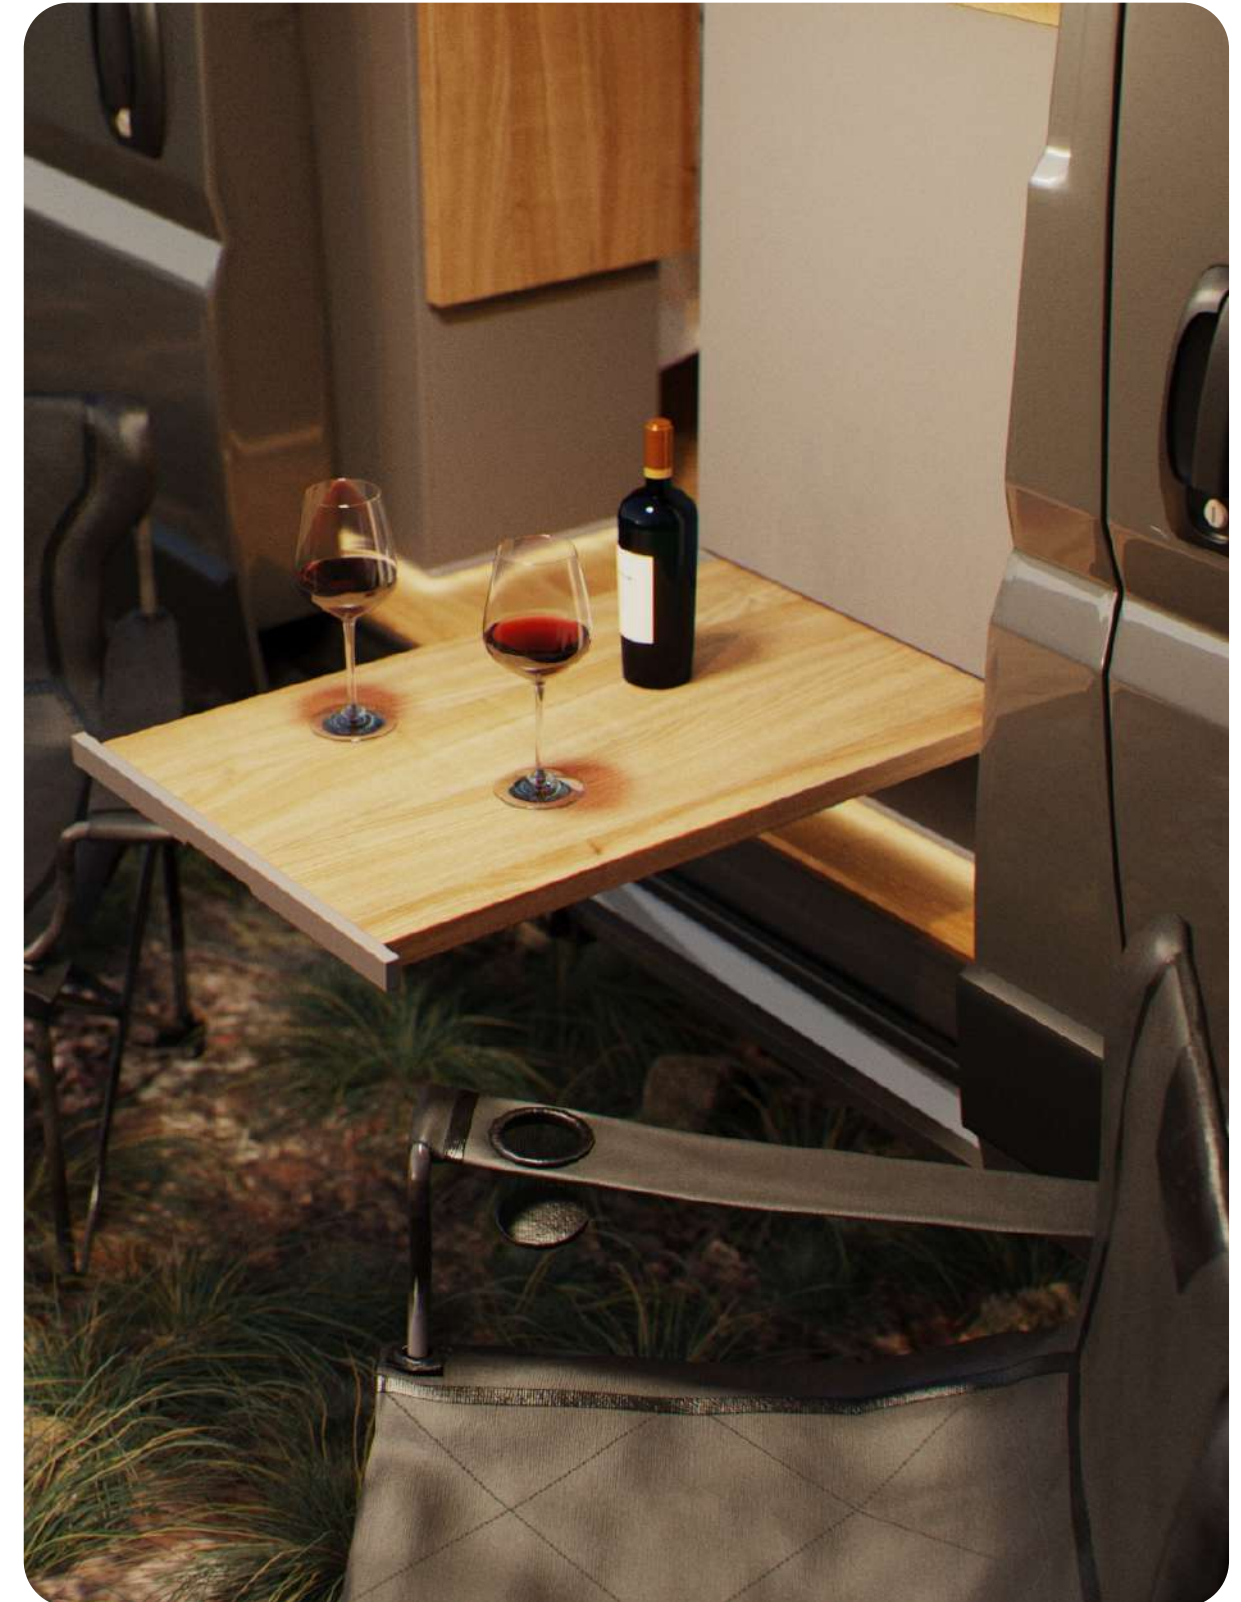

Design

Versatility

Comfort

# High level design

The soul of our campers lies in the interior design

**Moderno I** Anthracite gray interior combined with natural materials.

**Floating lighting to  
another level**

A lighting system designed to set  
the mood for every occasion

 **Day mode**

Welcome the sun and get ready for adventure.

 **Relax mode**

Creates a more relaxed, intimate and romantic atmosphere

 **Night mode**

Softens the night with minimal lighting.

**In this case, the exterior does matter**

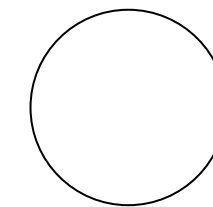

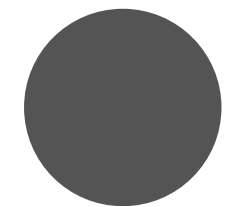

# Your introduction to the camper community

Choose between two  
exterior paint options

Polar White

Nardo Grey

## Sliding side window

**More light. More design. More functional.**

Tempered anti-break safety glass.  
Tinted crystal, 20% visible light transmission.

## Exterior vinyls

**More differentiation.**

Subtle exterior logos that allow Nomade campers to be differentiated from the rest.

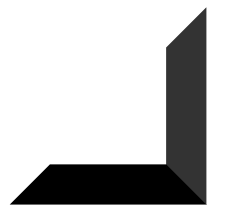

# Distribution

**Carefully designed to give you the best experience possible.**

Discover a carefully designed and fully equipped layout to meet all your needs while traveling.

Our campers offer versatile space that can accommodate up to 3 people. With a cozy bedroom, a functional living-dining room, a fully equipped kitchen, a convenient bathroom and generous storage space.

# 1 space 5 environments

A single room prepared for eating,  
working, relaxing, playing and  
sleeping up to 3 people.

**The perfect place for breakfast,  
lunch and dinner**

## **Work**

The true freedom of a nomad comes from the ability to work from anywhere in the world.

Fixed double bed 190 cm x 130 cm

Individual bed 180 cm x 71 cm

## Where 2 fit, 3 fit

Our interbank bed, quick and easy to assemble, offers a comfortable place for a third person

## Double of stars

Falling asleep watching the starry sky from our **70 x 50 cm panoramic skylight** is every nomad's dream.

Can you imagine going to bed with these views?

**The ideal  
kitchen for a  
star chef**

## More space for cooking and storage

Our kitchen is fully equipped and is characterized by its furniture with removable drawers, its illuminated shelves and a spacious 90l refrigerator with freezer.

## Sink with extendable faucet

The dark-colored sink and the black extendable faucet are characterized by a modern and elegant design, in addition to their practicality.

# Preparing your favorite dishes at 2,000 meters above sea level is possible.

## Spa for nomads

A complete bathroom  
with a touch of luxury in  
any corner of the world.

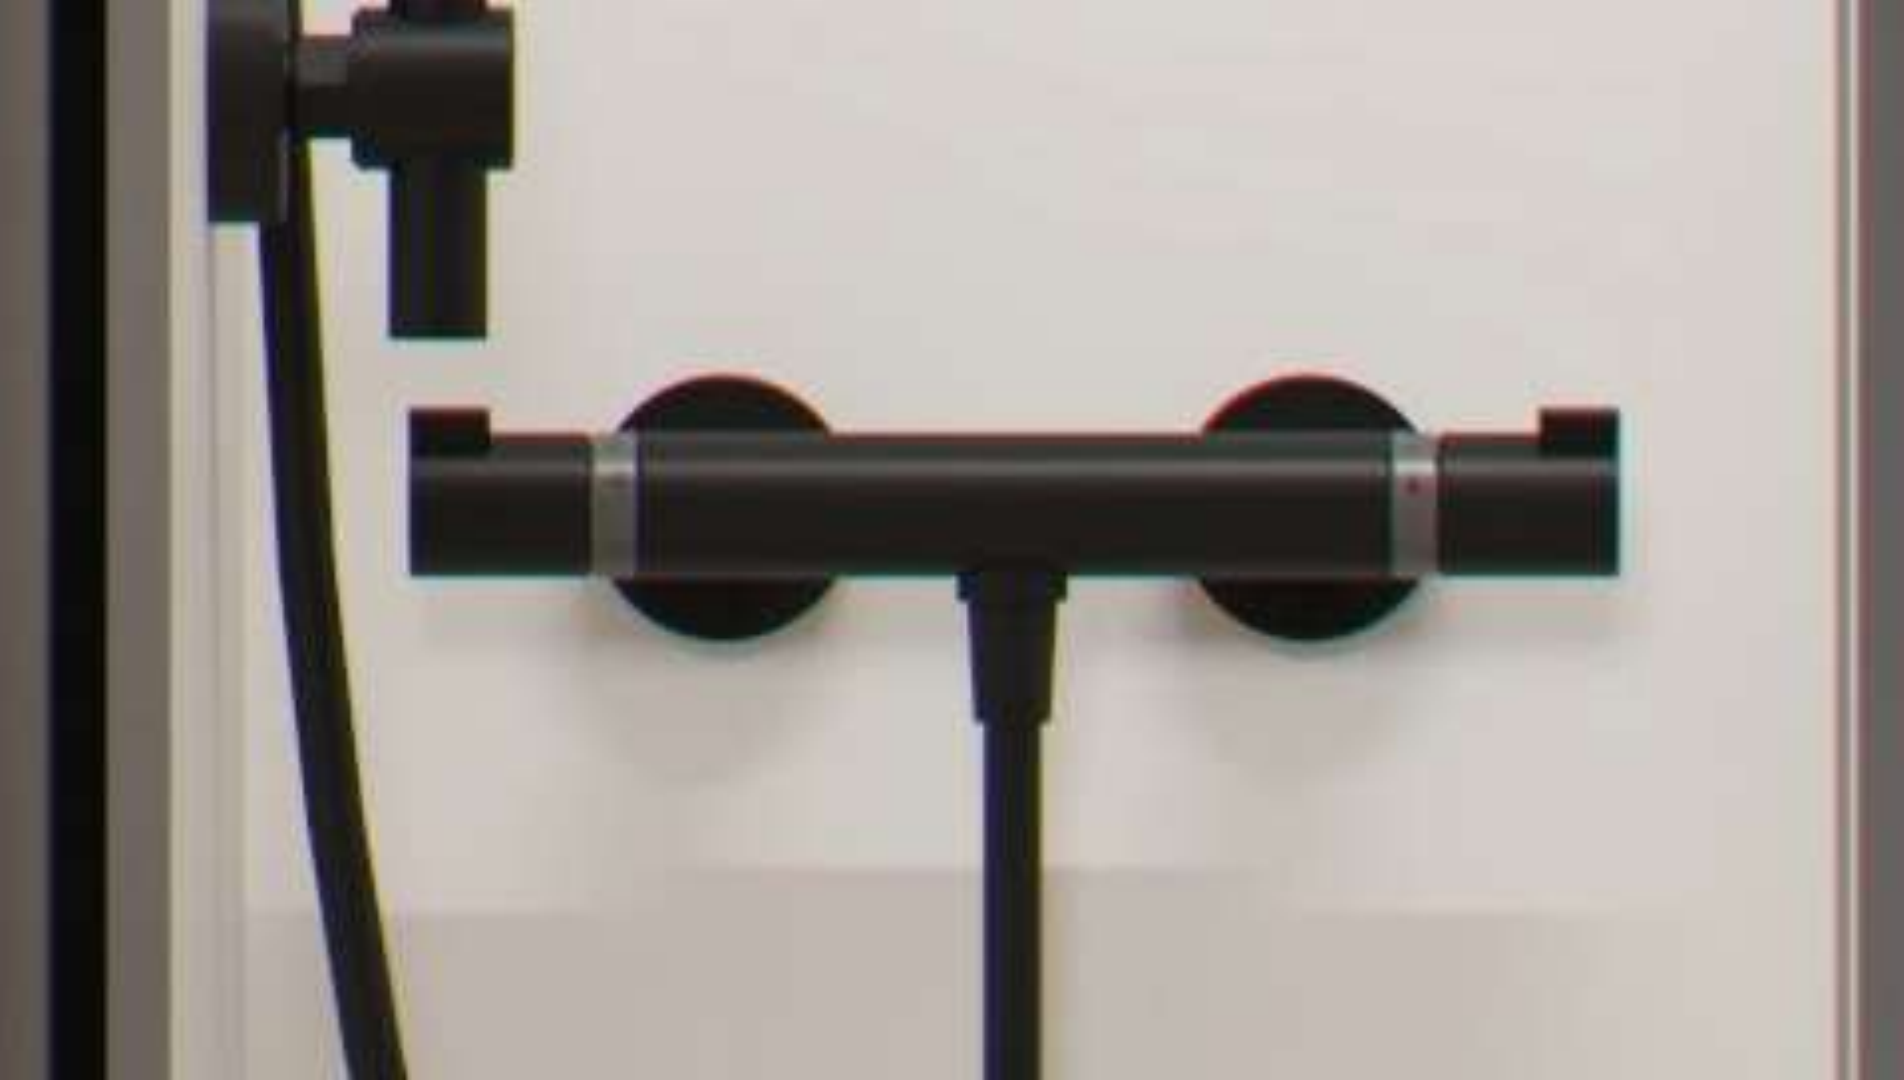

Aluminum sliding door

---

Anti-stagnation shower tray

---

## **Indoor shower with hot water**

Relax after a day of adventure with our indoor shower: hot water wherever the road takes you.

## **Fixed chemical toilet**

Enjoy the peace of mind of a clean and comfortable bathroom anywhere with our fixed chemical toilet: the hygienic solution for your on-the-go needs.

## More storage than ever

2,230L of storage thanks to the spacious trunk and the set of upper and lower cabinets distributed throughout the cabin.

## **A stylish camper for stylish nomads**

Convertible storage  
space according to  
your needs.

# You are in control

- Battery status and charge
- Refrigerator temperature
- Vehicle exterior and interior temperature
- Percentage of water tanks
- Turn lights on and off
- gas control
- Turn on, adjust and turn off the heating
- Solar panels status
- Air-conditioning

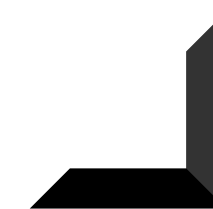

# Pro Electrical System

## The heart of our camper

The most advanced electrical system that we offer includes two 200Ah solar panels, 2 150Ah lithium batteries and the Arvikon intelligent system, which is composed of a touch switchboard and its control sensors.

# You won't want to leave the camper

We protect the camper from temperature fluctuations, air and outside humidity with double thermal and acoustic insulation to improve the travel experience and optimize energy savings.

Multi-layer reflective thermal insulation to keep your camper cool in summer and warm in winter.

-  Application temperature between -40°C and 85°C
-  Resistant to water vapor
-  Fire protection: self-extinguishing, does not drip, does not contribute to the spread of fire.

## Heating system

Autoterm Air 2D planar heating with digital control and 3 heating outputs: passenger compartment, bathroom and trunk.

## Air-conditioning \*

Dometic FreshJet 2200 Air Conditioner with LED lighting, remote control and adjustable flow.

\*Available in our Upgrade&Go

# Put a soundtrack to your trips

Equip your NEO camper with a JBL by Harman premium sound system with 4 5" coaxial speakers strategically located under the living room-bedroom closets.

## **Fiat Ducato: our perfect match**

The Fiat Ducato L3H2  
van opens up a world of  
possibilities to  
camperize your NEO

**L3H2, the perfect  
size for your home  
on wheels.**

## Driving

Engine 140 HP  
Manual or Automatic  
Front-wheel drive  
Diesel Fuel

## Other specifications

Integrated CarPlay system  
Rear view camera with dynamic lines  
Rear parking sensors  
10" radio with navigation  
Cruise control

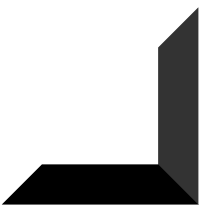

**What is revolutionary is not only what we offer, but also how we offer it.**

## **Upgrade & go**

**1 camper and 6 upgrades available. Improve your performance whenever and wherever you want.**

Our camper is designed so that all our optional packages can be added not only when purchasing the camper, but also at any time post-purchase.

If you miss something later or your needs change, no problem, we will install your upgrade in just 1 day.

**NE neo**

**Your first adventure is  
waiting for you.**
