Nation

ENEO

**Simply more.  
More comfort;  
More technology;  
More magic.**

We've learned from our customers' feedback and experience to design and create a new, more advanced and versatile model.

Design

Functionality

Comfort

## High-level design

**The soul of our campers lies in their interior design. Every detail contributes to an unparalleled experience.**

Choose from a modern interior featuring premium gray or white finishes.

Gray and wood

● White and wood

**N=** neo

## One model, two versions.

The Neo and Neo S campers offer a versatile and comfortable space for traveling and sleeping 2 or 3 people. Both versions have a cozy bedroom, a functional living and dining area, a fully equipped kitchen, a bathroom, and generous storage space.

# neo

# neo<sub>s</sub>

2 people

2 people

Shower

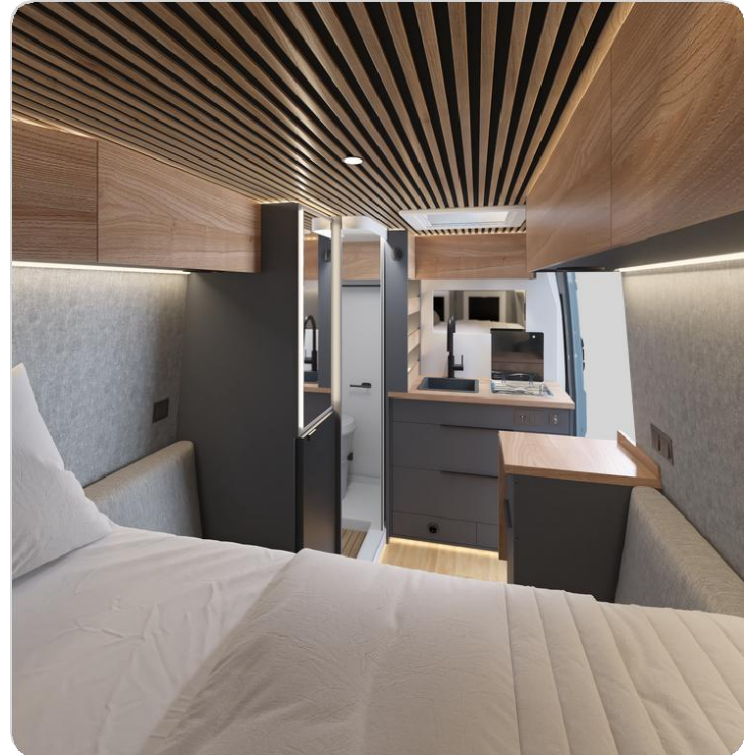

WC

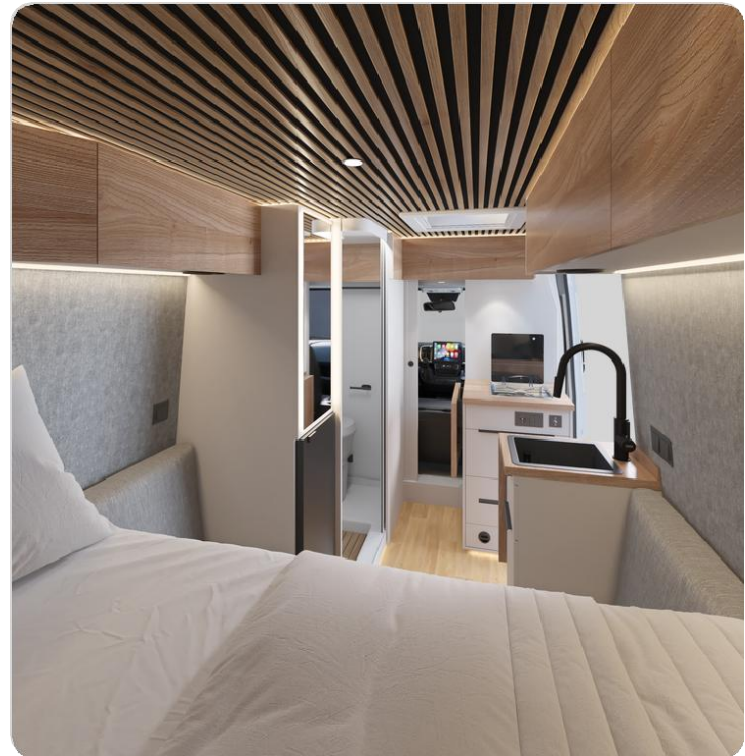

The passenger compartment and the driver's cab are completely separated, allowing three people to travel in the front.

# NEO<sub>s</sub>

The kitchen module has been modified to add an access that connects the cabin to the rest of the camper, which improves communication but limits the number of passengers to two.

## Floating lighting to another level

### Day mode

Welcome the sun and get ready for adventure.

### Relax mode

Create a more relaxed, intimate and romantic atmosphere

### Night mode

Soften the night with minimal lighting.

Extendable dining table

## Modularity on demand | space 5 environments

A single room designed for eating, working, relaxing, playing, and sleeping up to 3 people.

**The perfect place for breakfast,  
lunch and dinner**

## **Working outdoors**

The true freedom of a nomad is the ability to work from anywhere in the world.

Fixed double bed 192 cm x 130 cm

Viscoelastic mattress

Single interbank bed 180 cm x 75 cm\*

## Where 2 fit, 3 fit

Our quick and easy-to-assemble bunk bed offers a comfortable place for a third person.

\*Available as an individual extra and included in the Nomade Pack on the NEO model

## Twice as many stars

Falling asleep while gazing at the starry sky from our 70 x 50 cm panoramic skylight\* is every camper's dream.

All skylights and windows in the NEO camper include mosquito nets and roller blinds.

\*Available in our Neo Upgrades

**The ideal  
kitchen for a  
star chef**

## More space for cooking and storage

Furniture with soft-close pull-out drawers, a countertop extension, and a spacious 12V compressor refrigerator with 86 liters of capacity, including the freezer.

## Fully equipped

The dark-colored sink features a modern and elegant design, as well as its practicality.

Next to it, a single-burner gas stove with a dark glass cover.

## **And for those who can't live without a microwave...**

Add a 20L microwave to your Neo, with Ready2Clean coating, 700W of power and 6 operating levels.

\*Available in our Neo Upgrades

\*\*Not suitable for Neo S version.

**Preparing your favorite dishes at 2,000 meters above sea level is possible.**

**Spa for nomads**

**Relax underwater  
with a hot shower  
anywhere in the  
world you choose.**

---

Anti-stagnation shower tray

---

## **Indoor shower with hot water**

Relax after a day of adventure with our indoor shower: up to 113L of hot water wherever the road takes you.

## **Dometic fixed toilet**

Enjoy the peace of mind of a clean and comfortable bathroom anywhere with our cassette toilet with a high-quality ceramic interior: the hygienic solution for your on-the-go needs.

## More storage than ever

2,230L of storage thanks to the spacious trunk and the set of upper and lower lockers distributed throughout the passenger compartment.

## **Nomads with a lot of style**

Storage space with  
backlit mirror.

N= neo  
mini

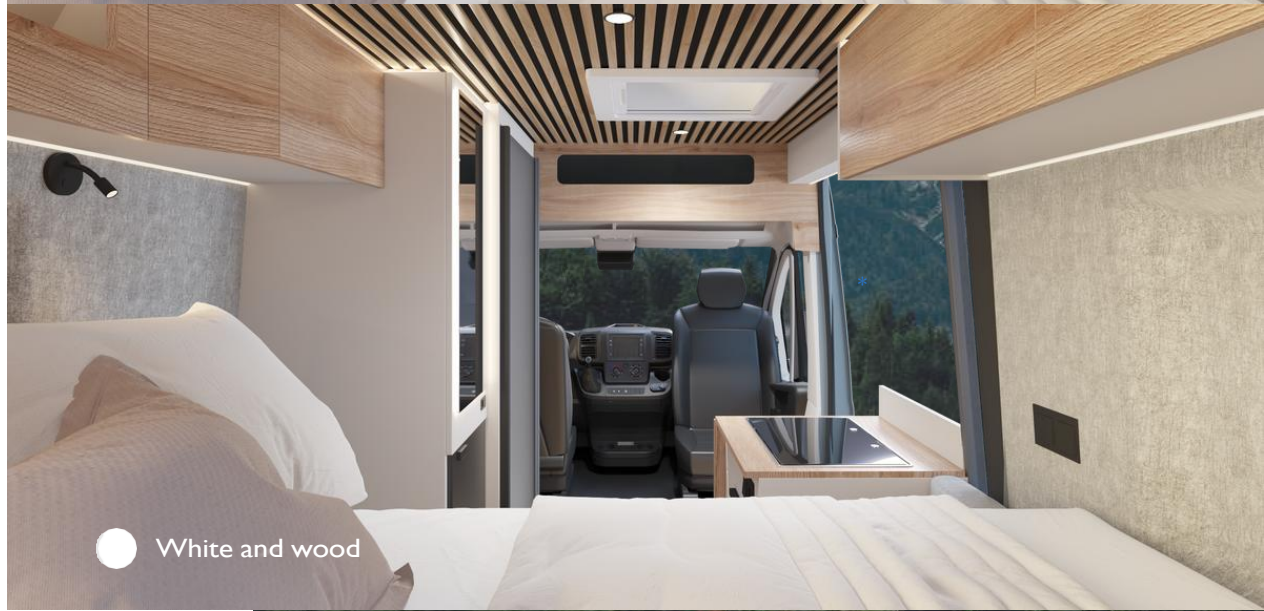

**The same comfort,  
functionality and style of a  
Neo, but in its mini version.**

We adapted the model that  
has revolutionized the sector  
to an L2H2 vehicle.

## Without losing the aesthetics that define us

In the Neo Mini model, you can also choose between a modern interior with premium gray or white finishes.

- ♦ Charging the batteries
- ♦ Filling the water tanks
- ♦ Turning the electrical system on and off
- ♦ Turning the water system on and off
- ♦ Control of water tanks
- ♦ Turning the heating on, adjusting it, and turning it off

## **Put a soundtrack to your trips**

Turn your camper into a real movie theater with our Cinema Pack. It includes a high-quality projector and four powerful JBL coaxial speakers so you can enjoy your favorite movies and TV shows with crystal-clear images and spectacular sound, wherever you are.

**Your comfort is our priority**  
We want you to feel at home wherever you are.

# You won't want to leave the camper

We protect the camper from temperature fluctuations, air, and outside humidity with 360° thermal and acoustic insulation to improve the travel experience and optimize energy savings.

20mm thermal and acoustic insulation throughout the cabin, to keep your camper cool in summer and warm in winter.

Controls temperature fluctuation.

Water vapor resistant

Fire protection: self-extinguishing, non-dripping, does not contribute to the spread of fire.

## Heating system

Autoterm Airplanar 2D heating with digital control inside the cabin, so the cold doesn't stop your travels.

## Air-conditioning\*

Dometic FreshJet 2200 Air Conditioner\* with remote control, adjustable flow and heat pump.

\*Available in our Neo Upgrades

## Electric step

Easily and comfortably access the interior of your camper thanks to the Thule 400 electric step\*.

## Outdoor shower with hot and cold water

Enjoy the convenience of washing off sand, salt, or mud, giving your pet a bath, or cleaning your sports equipment in the outdoor shower\*.

\*Available in our Neo Upgrades

## **Your safety and the safety of your belongings comes first.**

Include a spare wheel, a Carbest gas alarm, and exterior locks with your NEO camper, so you can travel with greater peace of mind and be prepared for any incident.

## **Side sliding mosquito net**

Protect yourself from insects with the Dometic FlyTec 200\* side mosquito net. Don't let mosquitoes ruin your adventure!

---

## **Awning**

Having a terrace on your camper is easy with the Dometic\* Perfect Roof PR 2000 Awning in anthracite.

\*Available in our Neo Upgrades

**Fiat Ducato:  
the perfect match for  
your home on wheels**

The Fiat Ducato van opens up a world  
of possibilities for converting your NEO.

## In this case, the exterior does matter.

Choose between two exterior paint options. It'll be your calling card to the nomadic community
